National Tracking Poll #170409
April 20-24, 2017

Crosstabulation Results

Methodology:

This poll was conducted from April 20-24, 2017, among a national sample of 2032 registered voters. The interviews were conducted online and the data were weighted to approximate a target sample of registered voters based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table POL19: As you may know, Republicans in Congress recently failed to pass the American Health Care Act, a bill that would have repealed and replaced the 2010 Affordable Care Act, sometimes referred to as Obamacare. Knowing this, should Republicans continue with efforts to repeal and replace the 2010 Affordable Care Act, or move on to other things?
