Morning Consult
National Tracking Poll #150803
August 14-16, 2015

Crosstabulation Results

Methodology:

This poll was conducted from August 14-16, 2015, among a national sample of 2013 registered voters. The interviews were conducted online and the data were weighted to approximate a target sample of registered voters based on age, race/ethnicity, gender, educational attainment, region, annual household income, home ownership status and marital status. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table HC1: As you may know, the 2010 health care law, known as the Affordable Care Act or ObamaCare, includes a tax beginning in 2018 on health plans with relatively low yearly premiums, low co-pays and low deductibles to help pay for health reform. Do you think...

Demographic	The tax is necessary to reduce health care spending, even if it means higher costs for employees and their families.		The tax should be changed by Congress to prevent out-of-pocket costs from rising too high.		Congress should repeal the tax.		Don't Know / No Opinion		Total N
