Table PO11: *Which of the following statements comes closest to your view, even if neither is exactly right?*

Demographic	We cannot be sure about who is primarily responsible for hacking and cyber-attacks that may have impacted the U.S. election. Tracing cyber-attacks is complicated and the same intelligence groups that say Russia attempted to influence the U.S. election are the same ones that said Saddam Hussein had weapons of mass destruction in Iraq.		We know with near certainty that Russia is responsible for the hacking and cyber-attacks that impacted the U.S. elections. Numerous U.S. intelligence agencies have used advanced techniques to determine Russia is responsible for these attacks and we are only playing into an unfriendly countrys hand when we deny this.
