Morning Consult<br>National Tracking Poll \#161207

December 15-17, 2016

## Crosstabulation Results

## Methodology:

This poll was conducted from December 15-17, 2016, among a national sample of 2000 registered voters. The interviews were conducted online and the data were weighted to approximate a target sample of registered voters based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.
