National Tracking Poll #170603
June 08-12, 2017

Crosstabulation Results

Methodology:

This poll was conducted from June 08-12, 2017, among a national sample of 1990 registered voters. The interviews were conducted online and the data were weighted to approximate a target sample of registered voters based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table POL5: As you may know, the U.S. air traffic control system is currently run by the federal government, through the Federal Aviation Administration (FAA). Knowing this, do you support or oppose a plan that would establish an independent, not-for-profit corporation to run U.S. air traffic control, instead of the FAA?
