Morning Consult<br>National Tracking Poll \#170705<br>July 13-15, 2017

## Crosstabulation Results

## Methodology:

This poll was conducted from July 13-15, 2017, among a national sample of 1994 registered voters. The interviews were conducted online and the data were weighted to approximate a target sample of registered voters based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.
