MORNING CONSULT + POLITICO

Morning Consult National Tracking Poll #170708 July 20-24, 2017

Crosstabulation Results

Methodology:

This poll was conducted from July 20-24, 2017, among a national sample of 3981 registered voters. The interviews were conducted online and the data were weighted to approximate a target sample of registered voters based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table POL5: As you may know, Republicans in Congress proposed health care legislation that would repeal and replace the 2010 Affordable Care Act, sometimes referred to as Obamacare. The legislation was recently pulled from consideration after Senate Republicans could not get enough votes to pass the bill. Knowing this, should Republicans continue with efforts to repeal and replace the 2010 Affordable Care Act, or move on to other things?

Table POL5: As you may know, Republicans in Congress proposed health care legislation that would repeal and replace the 2010 Affordable Care Act, sometimes referred to as Obamacare. The legislation was recently pulled from consideration after Senate Republicans could not get enough votes to pass the bill. Knowing this, should Republicans continue with efforts to repeal and replace the 2010 Affordable Care Act, or move on to other things?
