

Morning Consult  
National Tracking Poll #170817  
August 31 - September 03, 2017

Crosstabulation Results

Methodology:

This poll was conducted from August 31 - September 03, 2017, among a national sample of 1993 registered voters. The interviews were conducted online and the data were weighted to approximate a target sample of registered voters based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.
