Morning Consult  
National Tracking Poll #171104  
November 09-11, 2017

## Crosstabulation Results

### Methodology:

This poll was conducted from November 09-11, 2017, among a national sample of 1993 registered voters. The interviews were conducted online and the data were weighted to approximate a target sample of registered voters based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.
