Morning Consult<br>National Tracking Poll \#171117

December 01-03, 2017

## Crosstabulation Results

## Methodology:

This poll was conducted from December 01-03, 2017, among a national sample of 1997 registered voters. The interviews were conducted online and the data were weighted to approximate a target sample of registered voters based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table POL10_7: As you may know, Congress must pass bills that authorize the federal government to spend money for a certain amount of time. When that time expires, the government must shut down until Congress passes a new spending bill. For each of the following, please indicate if you believe the issue is important enough to prompt a government shutdown?
Renewal of the Childrens Health Insurance Program (CHIP), which provides low-cost health insurance for children in families with low and moderate incomes, as well as to pregnant women

Table POL16_1: As you may know, Minnesota Senator Al Franken was recently accused of kissing and groping a woman without her permission in 2006. The woman also released a picture that appears to show the Senator groping her, fully clothed, while she was sleeping. In addition, several other women have come forward to claim the Senator touched them inappropriately. Knowing this, do you believe...
