National Tracking Poll #171209
December 14-18, 2017

Crosstabulation Results

Methodology:
This poll was conducted from December 14-18, 2017, among a national sample of 1991 registered voters. The interviews were conducted online and the data were weighted to approximate a target sample of registered voters based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.
