

Morning Consult  
National Tracking Poll #180113  
January 20-21, 2018

Crosstabulation Results

Methodology:

This poll was conducted from January 20-21, 2018, among a national sample of 1997 registered voters. The interviews were conducted online and the data were weighted to approximate a target sample of registered voters based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

**Table POL9\_4:** As you may know, Congress must pass bills that authorize the federal government to spend money for a certain amount of time. When that time expires, the government must shut down until Congress passes a new spending bill. For each of the following, please indicate if you believe the issue is important enough to prompt a government shutdown.

Passing a bill that grants young people who were brought to the United States illegally when they were children, often with their parents, protection from deportation

**Table POL9\_6:** As you may know, Congress must pass bills that authorize the federal government to spend money for a certain amount of time. When that time expires, the government must shut down until Congress passes a new spending bill. For each of the following, please indicate if you believe the issue is important enough to prompt a government shutdown.

*Renewal of the Childrens Health Insurance Program (CHIP), which provides low-cost health insurance for children in families with low and moderate incomes, as well as to pregnant women*
