Table POL16: *As you may know, the adult film star Stormy Daniels received a payment of \$130,000 from Trumps lawyer in October of 2016. Daniels claims to have had a sexual affair with President Trump in 2006 and 2007, and some have speculated that this money, in addition to a nondisclosure agreement, were intended to ensure that Daniels did not speak out about the affair during the 2016 campaign. Now, Stormy Daniels has filed a lawsuit alleging that President Trump was directly involved in this payment. This payment was not reported as a campaign expenditure, which some argue constitutes a violation of campaign finance law. Table POL16: As you may know, the adult film star Stormy Daniels received a payment of \$130,000 from Trumps lawyer in October of 2016. Daniels claims to have had a sexual affair with President Trump in 2006 and 2007, and some have speculated that this money, in addition to a nondisclosure agreement, were intended to ensure that Daniels did not speak out about the affair during the 2016 campaign. Now, Stormy Daniels has filed a lawsuit alleging that President Trump was directly involved in this payment. This payment was not reported as a campaign expenditure, which some argue constitutes a violation of campaign finance law.
