National Tracking Poll #170105
February 02-04, 2017

Crosstabulation Results

Methodology:

This poll was conducted from February 02-04, 2017, among a national sample of 2048 registered voters. The interviews were conducted online and the data were weighted to approximate a target sample of registered voters based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table POL12_1: As you may know, presidents can issue executive orders, a power granted to them by the Constitution. Executive orders are not reviewed by Congress, have the authority of law and are typically used to direct the various agencies or departments under the president to take certain actions. Here are some executive orders that have been signed by President Trump during his first weeks in office. For each of the following, please indicate whether you APPROVE or DISAPPROVE of the executive order.
An order prohibiting citizens from seven predominantly Muslim countries from being able to enter the United States for 90 days and halting processing of refugees for 120 days.

Table POL12_1: As you may know, presidents can issue executive orders, a power granted to them by the Constitution. Executive orders are not reviewed by Congress, have the authority of law and are typically used to direct the various agencies or departments under the president to take certain actions. Here are some executive orders that have been signed by President Trump during his first weeks in office. For each of the following, please indicate whether you APPROVE or DISAPPROVE of the executive order.

An order prohibiting citizens from seven predominantly Muslim countries from being able to enter the United States for 90 days and halting processing of refugees for 120 days.
