National Tracking Poll \#180640
June 22-24, 2018
Crosstabulation Results

Methodology:
This poll was conducted from June 22-24, 2018, among a national sample of 2202 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

## Table Index

1 Table GBF1_1: How much would you say you trust the leadership of each of the following countries or regions? Russia ..... 7
2 Table GBF1_4: How much would you say you trust the leadership of each of the following countries or regions? China ..... 11
3 Table GBF1_5: How much would you say you trust the leadership of each of the following countries or regions? North Korea ..... 15
4 Table GBF1_6: How much would you say you trust the leadership of each of the following countries or regions? South Korea ..... 19
5 Table GBF1_7: How much would you say you trust the leadership of each of the following countries or regions? The European Union ..... 23
6 Table GBF1_8: How much would you say you trust the leadership of each of the following countries or regions? Canada ..... 27
7 Table GBF1_9: How much would you say you trust the leadership of each of the following countries or regions? Mexico ..... 31
8 Table GBF1_10: How much would you say you trust the leadership of each of the following countries or regions? The United Kingdom ..... 35
9 Table GBF1_11: How much would you say you trust the leadership of each of the following countries or regions? France ..... 39
10 Table GBF1_12: How much would you say you trust the leadership of each of the following countries or regions? Germany ..... 43
11 Table GBF1_13: How much would you say you trust the leadership of each of the following countries or regions? The United States ..... 47
12 Table GBF2_1: When thinking about each of the following countries or regions, how important do you feel they are to economic trade with the United States? Russia ..... 51
13 Table GBF2_4: When thinking about each of the following countries or regions, how important do you feel they are to economic trade with the United States? China ..... 55
14 Table GBF2_5: When thinking about each of the following countries or regions, how important do you feel they are to economic trade with the United States? North Korea ..... 59
15 Table GBF2_6: When thinking about each of the following countries or regions, how important do you feel they are to economic trade with the United States? South Korea ..... 63
16 Table GBF2_7: When thinking about each of the following countries or regions, how important do you feel they are to economic trade with the United States? The European Union ..... 67
17 Table GBF2_8: When thinking about each of the following countries or regions, how important do you feel they are to economic trade with the United States? Canada ..... 71

18 Table GBF2_9: When thinking about each of the following countries or regions, how important do you feel they are to economic trade with the United States? Mexico

19 Table GBF2_10: When thinking about each of the following countries or regions, how important do you feel they are to economic trade with the United States? The United Kingdom

20 Table GBF2_11: When thinking about each of the following countries or regions, how important do you feel they are to economic trade with the United States? France

21 Table GBF2_12: When thinking about each of the following countries or regions, how important do you feel they are to economic trade with the United States? Germany87

22 Table GBF3_1: For each of the following countries or regions, do you think we should increase, decrease,
or keep our levels of economic trade with them the same? Russia

23 Table GBF3_4: For each of the following countries or regions, do you think we should increase, decrease, or keep our levels of economic trade with them the same? China95

24 Table GBF3_5: For each of the following countries or regions, do you think we should increase, decrease,
or keep our levels of economic trade with them the same? North Korea ..... 99

25 Table GBF3_6: For each of the following countries or regions, do you think we should increase, decrease,
or keep our levels of economic trade with them the same? South Korea ..... 103

26 Table GBF3_7: For each of the following countries or regions, do you think we should increase, decrease,
or keep our levels of economic trade with them the same? The European Union ..... 107
27 Table GBF3_8: For each of the following countries or regions, do you think we should increase, decrease, or keep our levels of economic trade with them the same? Canada ..... 111
28 Table GBF3_9: For each of the following countries or regions, do you think we should increase, decrease, or keep our levels of economic trade with them the same? Mexico ..... 115
29
Table GBF3_10: For each of the following countries or regions, do you think we should increase, de- crease, or keep our levels of economic trade with them the same? The United Kingdom ..... 119
Table GBF3_11: For each of the following countries or regions, do you think we should increase, de- crease, or keep our levels of economic trade with them the same? France ..... 123
31 Table GBF3_12: For each of the following countries or regions, do you think we should increase, de- crease, or keep our levels of economic trade with them the same? Germany ..... 127Table GBF5: In general, do you feel like the global economy is headed in the right direction or has gottenoff on the wrong track? .136Table GBF6_4: In your view, how much do each of the following benefit from a growing global economy?Corporations143
36 Table GBF6_5: In your view, how much do each of the following benefit from a growing global economy? Wealthy Americans147

37 Table GBF6_6: In your view, how much do each of the following benefit from a growing global economy? Politicians 151

38 Table GBF6_7: In your view, how much do each of the following benefit from a growing global economy?

$$
\text { The Federal Government . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . } 155
$$

39 Table GBF6_8: In your view, how much do each of the following benefit from a growing global economy? Small business ..... 159
40 Table GBF7: Which of the following do you trust more to drive the global economy? ..... 163
41 Table GBF8_1: Do you generally support or oppose the following? Automation ..... 167
42 Table GBF8_4: Do you generally support or oppose the following? Expansion of free trade across borders ..... 171
43 Table GBF8_5: Do you generally support or oppose the following? Current U.S. economic policies ..... 175
44 Table GBF8_6: Do you generally support or oppose the following? Globalization ..... 179
45 Table GBF8_7: Do you generally support or oppose the following? Immigration ..... 183
46 Table GBF9: Thinking about the global economy, which of the following statements comes closest to your view, even if neither is exactly right? ..... 187
47 Table GBF10: Which of the following statements comes closest to your view, even if neither is exactly right? ..... 191
48 Table GBF11: In general and in your view, have free trade agreements had a positive or negative impact on the U.S.? ..... 195
49 Table GBF12: And in your view, has the U.S. benefitted more, less, or the same as other countries in the free trade agreements the U.S. is party to? ..... 199
50 Table GBF13: In your view, has free trade had a positive impact, negative impact, or no impact at all on your personal financial situation? ..... 203
51 Table GBF14: When the U.S. imposes tariffs on goods that are imported into the U.S., do you feel that this has a positive or negative impact on U.S. consumers? ..... 207
52 Table GBF15: Generally speaking, do you support or oppose imposing tariffs on foreign-made goods that compete with goods made in the U.S.? ..... 211
53 Table GBF16: And, do you think the economy benefits more from imposing tariffs on foreign-made goods to protect domestic industries, or benefits more from reducing tariffs and promoting free trade? ..... 214
54 Table GBF17_1: In each of the following situations, do you support or oppose imposing tariffs on goodsimported into the U.S. from another country? A country imposes tariffs on our exports to their country218
Table GBF17_4: In each of the following situations, do you support or oppose imposing tariffs on goodsimported into the U.S. from another country? A country poses a security threat to the U.S.222

56 Table GBF17_5: In each of the following situations, do you support or oppose imposing tariffs on goods imported into the U.S. from another country? A country's citizens are immigrating legally into the U.S. . 226

57 Table GBF17_6: In each of the following situations, do you support or oppose imposing tariffs on goods imported into the U.S. from another country? A country's citizens are immigrating illegally into the U.S. 230

58 Table GBF18: Which of the following is closest to your view, even if neither is exactly right? 234

59 Table GBF19: As you may know, the U.S. recently imposed $25 \%$ tariffs on $\$ 50$ billion worth of Chinesemade goods. Do you support or oppose this action?238

60 Table GBF20: As you may know, China responded to the U.S. tariffs with $25 \%$ tariffs of its own on $\$ 50$ billion worth of U.S.-made goods. Knowing what you know, do you support or oppose entering a trade war with China?242

61 Table GBF21: Knowing what you know, do you support or oppose entering a trade war with China? . 245
Table GBF22: And, do you think we are in a trade war with China right now?248
Table GBF23_1: Do any of the following describe how you feel when thinking about the possibility of a trade war with China? Angry ..... 251

64 Table GBF23_4: Do any of the following describe how you feel when thinking about the possibility of a trade war with China? Scared254

65 Table GBF23_5: Do any of the following describe how you feel when thinking about the possibility of a trade war with China? Excited257

66 Table GBF23_6: Do any of the following describe how you feel when thinking about the possibility of a trade war with China? Relieved260

67 Table GBF23_7: Do any of the following describe how you feel when thinking about the possibility of a trade war with China? Happy263

68 Table GBF23_8: Do any of the following describe how you feel when thinking about the possibility of a trade war with China? Nervous266

69 Table GBF23_9: Do any of the following describe how you feel when thinking about the possibility of a trade war with China? Worried269

Table GBF25: Who do you think SUFFERS the MOST from a trade war with China? . . . . . . . . . 275
Table GBF26: In your view, what impact will climate change have on businesses' abilities to grow? . . . 278
Table GBF27_1: How much do you trust the following to combat climate change? Governments . . . . 282
Table GBF27_4: How much do you trust the following to combat climate change? Businesses . . . . . 286
Table GBF28: In your view, which of the following is MOST responsible for combatting climate change? 290
Table GBF29: Do you believe combatting climate change is a net positive or net negative for the economy? 294

77 Table GBF30_1: As you may know, employment in U.S. manufacturing experienced a steep decline from a few decades ago. How much of a role, if any, do you believe each of the following have played in that decline? Cheap overseas labor displacing U.S. jobs

297
78 Table GBF30_4: As you may know, employment in U.S. manufacturing experienced a steep decline from a few decades ago. How much of a role, if any, do you believe each of the following have played in that decline? Wage growth making manufacturing uncompetitive in the U.S.

79 Table GBF30_5: As you may know, employment in U.S. manufacturing experienced a steep decline from a few decades ago. How much of a role, if any, do you believe each of the following have played in that decline? Regulations making it too difficult to manufacture in the U.S.305

80 Table GBF30_6: As you may know, employment in U.S. manufacturing experienced a steep decline from a few decades ago. How much of a role, if any, do you believe each of the following have played in that decline? Unions making it too difficult to keep a flexible workforce309

81 Table GBF30_7: As you may know, employment in U.S. manufacturing experienced a steep decline from a few decades ago. How much of a role, if any, do you believe each of the following have played in that decline? Unfair trade practices between countries making U.S.-made products uncompetitive internationally

82 Table GBF30_8: As you may know, employment in U.S. manufacturing experienced a steep decline from a few decades ago. How much of a role, if any, do you believe each of the following have played in that decline? Automation in manufacturing displacing U.S. jobs317

83 Table GBF31: In your own opinion, do you think immigration has a positive or negative impact on the U.S. economy?321
84 Table GBF32: And how important do you think immigrants are to the U.S. workforce? ..... 324
85 Summary Statistics of Survey Respondent Demographics ..... 327

## Crosstabulation Results by Respondent Demographics

Table GBF1_1: How much would you say you trust the leadership of each of the following countries or regions?
Russia

| Demographic | A lot |  | Some |  | Not much |  | Not at all |  | Don't know / <br> No opinion |  | Total N |
