

National Tracking Poll #180650
June 28 - July 03, 2018

Crosstabulation Results

Methodology:

This poll was conducted from June 28 - July 03, 2018, among a national sample of 1082 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 3 percentage points.
