## MORNING CONSULT + POLITICO

National Tracking Poll #190125 January 11-14, 2019

Crosstabulation Results

## *Methodology:*

This poll was conducted from January 11-14, 2019, among a national sample of 1984 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

**Table POL17:** As you may know, President Trump has considered declaring a national emergency at the U.S. – Mexico border. By doing this, he would be able to reallocate military spending to build a structure at the border for national defense purposes. Based on what you know now, do you support or oppose the declaration of a national emergency at the U.S. – Mexico border?

**Table POL17:** As you may know, President Trump has considered declaring a national emergency at the U.S. – Mexico border. By doing this, he would be able to reallocate military spending to build a structure at the border for national defense purposes. Based on what you know now, do you support or oppose the declaration of a national emergency at the U.S. – Mexico border?
