

National Tracking Poll #190149
January 10-28, 2019

Crosstabulation Results

Methodology:

This poll was conducted between January 10-January 28, 2019 among a national sample of 19909 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on age, educational attainment, gender, race, and region. Results from the full survey have a margin of error of plus or minus 1 percentage points.
