

National Tracking Poll #190325  
March 06-14, 2019

*Crosstabulation Results*

*Methodology:*

This poll was conducted from March 06-14, 2019, among a national sample of 6600 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 1 percentage points.

# Table Index

1	<b>Table MFA2:</b> <i>Thinking about Medicare for All in general, which of the following do you think is the best description of the proposed legislation?</i> . . . . .	6
2	<b>Table MFA4_1:</b> <i>Do you support or oppose the following proposed health care systems? A single-payer health system, where one payer – usually the government – covers the costs of all essential health care services for all residents.</i> . . . . .	13
3	<b>Table MFA4_2:</b> <i>Do you support or oppose the following proposed health care systems? The public health insurance option, a system in which Americans can choose to purchase medical coverage either entirely from a federally-run health program, entirely from private insurers, or a combination of both.</i> . . . . .	18
4	<b>Table MFA4_3:</b> <i>Do you support or oppose the following proposed health care systems? Medicare for All health care system, where all Americans are automatically enrolled in a government-run health insurance plan which replaces all employer-sponsored health plans.</i> . . . . .	23
5	<b>Table MFA4_4:</b> <i>Do you support or oppose the following proposed health care systems? A Medicare buy-in system in which adults between the ages of 50 and 64 could buy coverage through Medicare and private insurance is still available.</i> . . . . .	28
6	<b>Table MFA4_5:</b> <i>Do you support or oppose the following proposed health care systems? A Medicaid buy-in system in which adults who do not receive coverage through their employer could buy coverage through Medicaid, regardless of income, and private insurance is still available.</i> . . . . .	33
7	<b>Table MFA6_1:</b> <i>[Among Medicare for All Supporters] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... An increase in income taxes</i> . . . . .	38
8	<b>Table MFA6_2:</b> <i>[Among Medicare for All Supporters] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... An increase on taxes for millionaires and billionaires</i> . . . . .	44
9	<b>Table MFA6_3:</b> <i>[Among Medicare for All Supporters] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Spending cuts in other areas of the government.</i> . . . . .	50
10	<b>Table MFA6_4:</b> <i>[Among Medicare for All Supporters] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Eliminating private insurance</i> . . . . .	56
11	<b>Table MFA6_5:</b> <i>[Among Medicare for All Supporters] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Mandatory enrollment for all Americans in a national health insurance program</i> . . . . .	62

12 **Table MFA6\_6:** *[Among Medicare for All Supporters] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Spending cuts to the military . . . . .* 68

13 **Table MFA6\_7:** *[Among Medicare for All Supporters] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Abortion-related services were federally funded . . . . .* 74

14 **Table MFA6\_8:** *[Among Medicare for All Supporters] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Our government embraced socialism in its health care coverage . . . . .* 80

15 **Table MFA6\_9:** *[Among Medicare for All Supporters] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Reducing the quality of coverage for current Medicare beneficiaries . . . . .* 86

16 **Table MFA6\_10:** *[Among Medicare for All Supporters] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Eliminating the Affordable Care Act . . . . .* 92

17 **Table MFA6\_11:** *[Among Medicare for All Supporters] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Cutting salaries for doctors . . . . .* 98

18 **Table MFA6\_12:** *[Among Medicare for All Supporters] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Reducing the revenue stream for hospitals and providers . . . . .* 104

19 **Table MFA7\_1:** *[Among Medicare for All Opponents] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Eliminating all patient cost sharing, including deductibles, premiums and out-of-pocket expenses . . . . .* 110

20 **Table MFA7\_2:** *[Among Medicare for All Opponents] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Eliminate co-pays for prescription drugs . . . . .* 116

21 **Table MFA7\_3:** *[Among Medicare for All Opponents] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Americans can still keep their hospital and doctor . . . . .* 122

22 **Table MFA7\_4:** *[Among Medicare for All Opponents] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Enrollment was voluntary for all Americans . . . . .* 128

23 **Table MFA7\_5:** *[Among Medicare for All Opponents] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... No spending cuts in other areas of the government . . . . .* 134

24 **Table MFA7\_6:** *[Among Medicare for All Opponents] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Abortion-related services were federally funded . . . . .* 140

25 **Table MFA7\_7:** *[Among Medicare for All Opponents] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... No reduction in the quality of coverage for current Medicare beneficiaries . . . . .* 146

26 **Table MFA7\_8:** *[Among Medicare for All Opponents] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Including coverage for dental, vision and long-term care . . . . .* 152

27 **Table MFA7\_9:** *[Among Medicare for All Opponents] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Guaranteeing access to health care for every American . . . . .* 158

28 **Table MFA7\_10:** *[Among Medicare for All Opponents] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Wait times would not significantly increase because doctors would save time they currently spend on administrative work . . . . .* 164

29 **Table MFA7\_11:** *[Among Medicare for All Opponents] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Corporations and the pharmaceutical industry would not profit off of Americans facing illness* 170

30 **Table MFA7\_12:** *[Among Medicare for All Opponents] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... Health outcomes in the long term would improve because of increased accessibility of preventative care . . . . .* 176

31	<b>Table MFA7_13:</b> <i>[Among Medicare for All Opponents] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... National health expenditures would decrease in the long term because of improved health outcomes . . . . .</i>	182
32	<b>Table MFA7_14:</b> <i>[Among Medicare for All Opponents] As you may know, members of Congress introduced a bill in February to establish a national Medicare for All health insurance program. Would you be more or less likely to support a 'Medicare for all' system, or would it make no difference either way, if it meant... You could still purchase supplemental coverage from the private market . . . . .</i>	188
33	<b>Table MFA16:</b> <i>[Among Medicare for All Supporters] Would you support or oppose a public health insurance option that does not eliminate the private market, but allows more people to enroll in Medicare or Medicaid, as a compromise in the short-term on the path to universal coverage? . . . . .</i>	194
