National Tracking Poll \#190920
September 07-08, 2019

## Crosstabulation Results

Methodology:
This poll was conducted between September 7-September 8, 2019 among a national sample of 1998 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on age, educational attainment, gender, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.
