

National Tracking Poll #191159
November 18-21, 2019

Crosstabulation Results

Methodology:

This poll was conducted from November 18-21, 2019, among a national sample of 1997 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table Index

- 1 **Table P1:** *Now, generally speaking, would you say that things in the country are going in the right direction, or have they pretty seriously gotten off on the wrong track?* 4
- 2 **Table Q172:** *Do you approve or disapprove of the job Donald Trump is doing as President?* 8
- 3 **Table P3:** *Now, thinking about your vote, what would you say is the top set of issues on your mind when you cast your vote for federal offices such as U.S. Senate or Congress?* 12
- 4 **Table MFA1:** *Now, turning to the health care industry, how satisfied are you with the health care industry in general?* 17
- 5 **Table MFA2:** *And, how satisfied are you with your personal health care?* 21
- 6 **Table MFA3_1:** *Do you support or oppose each of the following? "Medicare for All," a government-run health system that would cover all Americans* 25
- 7 **Table MFA3_2:** *Do you support or oppose each of the following? A public health insurance option, offering a choice between a government plan and private insurance* 29
- 8 **Table MFA3_3:** *Do you support or oppose each of the following? A public health insurance option as a transition to Medicare for All* 33
- 9 **Table MFA3_4:** *Do you support or oppose each of the following? The Trump administration's proposed health care reforms* 37
- 10 **Table MFA4:** *Even if none are exactly correct, if you had to choose, would you prefer:* 41
- 11 **Table MFA5:** *And if your first choice was not an option, which would you prefer second most?* 45
- 12 **Table MFA6_1:** *As you may know, a public option is a plan that allows consumers to opt into a government run health insurance program while also having the option to choose private insurance. Medicare for All is a plan that eliminates private insurance and creates a government-run health insurance program funded by taxes. Please indicate whether you support or oppose each of the following health care reforms: A public health insurance coverage option that temporarily preserves private insurance before transitioning to Medicare for All within 3 years* 49
- 13 **Table MFA6_2:** *As you may know, a public option is a plan that allows consumers to opt into a government run health insurance program while also having the option to choose private insurance. Medicare for All is a plan that eliminates private insurance and creates a government-run health insurance program funded by taxes. Please indicate whether you support or oppose each of the following health care reforms: Executive action that reduces drug prices by bringing new, generic versions of costly medications to market* 53
- 14 **Table MFA6_3:** *As you may know, a public option is a plan that allows consumers to opt into a government run health insurance program while also having the option to choose private insurance. Medicare for All is a plan that eliminates private insurance and creates a government-run health insurance program funded by taxes. Please indicate whether you support or oppose each of the following health care reforms: Taking action to defend the Affordable Care Act in the courts* 57

15	Table MFA6_4: <i>As you may know, a public option is a plan that allows consumers to opt into a government run health insurance program while also having the option to choose private insurance. Medicare for All is a plan that eliminates private insurance and creates a government-run health insurance program funded by taxes. Table MFA6_1: As you may know, a public option is a plan that allows consumers to opt into a government run health insurance program while also having the option to choose private insurance. Medicare for All is a plan that eliminates private insurance and creates a government-run health insurance program funded by taxes. Please indicate whether you support or oppose each of the following health care reforms:

A public health insurance coverage option that temporarily preserves private insurance before transitioning to Medicare for All within 3 years

Table MFA6_1: As you may know, a public option is a plan that allows consumers to opt into a government run health insurance program while also having the option to choose private insurance. Medicare for All is a plan that eliminates private insurance and creates a government-run health insurance program funded by taxes. Please indicate whether you support or oppose each of the following health care reforms:

A public health insurance coverage option that temporarily preserves private insurance before transitioning to Medicare for All within 3 years
