# ⓂORNING CONSULT 

National Tracking Poll \#200326
March 06-09, 2020
Crosstabulation Results

Methodology:
This poll was conducted between March 6-March 9, 2020 among a national sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, educational attainment, gender, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

## Table Index

1 Table CCS1: As you may know, a new strain of a virus called coronavirus was identified by Chinese authorities in early January, and has spread around the world, infecting more than 100,000 individuals and killing over 3,400 people. The World Health Organization declared this outbreak of the coronavirus is a global health emergency, posing a risk to countries outside of China. President Trump declared a public health emergency in the United States shortly after.Based on what you know, how concerned are you about the outbreak of coronavirus?

2 Table CCS2: And specifically, how concerned are you about coronavirus spreading in the United States?

3 Table CCS3_1: To what extent is the coronavirus a health risk in the following places? China 18
4 Table CCS3_2: To what extent is the coronavirus a health risk in the following places? Asia . 23
5 Table CCS3_3: To what extent is the coronavirus a health risk in the following places? Europe 28
6 Table CCS3_4: To what extent is the coronavirus a health risk in the following places? United States33

7 Table CCS3_5: To what extent is the coronavirus a health risk in the following places? Globally 38
8 Table CCS3_6: To what extent is the coronavirus a health risk in the following places? the Middle East

9 Table CCS3_7: To what extent is the coronavirus a health risk in the following places? South America48

10 Table CCS3_8: To what extent is the coronavirus a health risk in the following places? Central
America ..... 53

11 Table CCS3_9: To what extent is the coronavirus a health risk in the following places? Your state

12 Table CCS4_1: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel within the U.S.63

13 Table CCS4_2: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel outside of the U.S.68

14 Table CCS4_3: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Stay overnight at a hotel in the U.S.

15 Table CCS4_4: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Stay overnight at a hotel outside of the U.S.

16 Table CCS4_5: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel within Asia
17 Table CCS4_6: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel within Europe ..... 88
18 Table CCS4_7: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel for spring break ..... 93
19 Table CCS5: Has the coronavirus affected your travel plans over the next three months? . ..... 98
20 Table CCS6_1: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Health care ..... 104
21 Table CCS6_2: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? American goods ..... 109
22 Table CCS6_3: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Chinese made goods ..... 114
23 Table CCS6_4: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Internationally made goods ..... 11924 Table CCS6_5: And do you expect to spend more or less on the following because of thecoronavirus, or is there no change? Personal hygiene product, such as hand sanitizer andhand soap124
25 Table CCS6_6: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Home cleaning products, such as disinfectants ..... 129
26 Table CCS6_7: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Medical supplies, such as medical face masks ..... 134
27 Table CCS6_8: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Food products grown or produced in China ..... 139
28 Table CCS6_9: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Food products grown or produced in Asia ..... 144
29 Table CCS6_10: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Restaurant delivery services ..... 14930 Table CCS6_11: And do you expect to spend more or less on the following because of thecoronavirus, or is there no change? Meal kit delivery services, such as Hello Fresh and BlueApron154
31 Table CCS6_12: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? On-demand food delivery services, such as DoorDash or Grubhub159
32 Table CCS6_13: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Grocery delivery service ..... 164
33 Table CCS6_14: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Movie or TV streaming services ..... 169
34 Table CCS6_15: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Goods from online marketplaces, such as Amazon or Walmart174

35 Table CCS6_16: And do you expect to spend more or less on the following because of the
coronavirus, or is there no change? Music streaming services ..... 179
36 Table CCS6_17: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Video games ..... 184
37 Table CCS6_18: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Canned goods ..... 189
38 Table CCS7: If a vaccine that protects from the coronavirus became available, would you get vaccinated, or not? ..... 194
39 Table CCS8_1: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? President Donald Trump ..... 199
40 Table CCS8_2: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Vice President Mike Pence ..... 204
41 Table CCS8_3: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? The Centers for Disease Control and Prevention (CDC). ..... 209
42 Table CCS8_4: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Congress ..... 214
43 Table CCS8_5: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Your state government ..... 219
44 Table CCS8_6: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Your local government ..... 224
45 Table CCS8_7: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? The United Nations (UN) ..... 229
46 Table CCS8_8: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? The World Health Organization (WHO) ..... 234
47 Table CCS8_9: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Airline companies ..... 239
48 Table CCS8_10: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? The Transportation Security Admin- istration (TSA) ..... 244
49 Table CCS8_11: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Cruise line companies249
50 Table CCS9: Thinking about the confirmed cases of the coronavirus in the United States, who do you think is most to blame for the spread of the coronavirus into the United States? ..... 254
51 Table CCS11_1: How concerned are you that the coronavirus will impact the following? U.S. economy ..... 258
52 Table CCS11_2: How concerned are you that the coronavirus will impact the following? Chi- nese economy ..... 263
53 Table CCS11_3: How concerned are you that the coronavirus will impact the following? Global economy ..... 268
54 Table CCS11_4: How concerned are you that the coronavirus will impact the following? My local economy ..... 273
55 Table CCS11_5: How concerned are you that the coronavirus will impact the following? The European economy ..... 278
56 Table CCS11_6: How concerned are you that the coronavirus will impact the following? Mid- dle Eastern economy ..... 283
57 Table CCS11_7: How concerned are you that the coronavirus will impact the following? The hospitality industry ..... 288
58 Table CCS11_8: How concerned are you that the coronavirus will impact the following? My workplace ..... 293
59 Table CCS12_1NET: Has your employer or anyone in the workplace instituted the followingas precautions to protect your workplace from the coronavirus? Please select all that apply.Made hand sanitizer available298
60 Table CCS12_2NET: Has your employer or anyone in the workplace instituted the followingas precautions to protect your workplace from the coronavirus? Please select all that apply.Temporarily postponed all non-essential work travel302
61 Table CCS12_3NET: Has your employer or anyone in the workplace instituted the following as precautions to protect your workplace from the coronavirus? Please select all that apply.Temporarily postponed all non-essential conferences306
62 Table CCS12_4NET: Has your employer or anyone in the workplace instituted the following as precautions to protect your workplace from the coronavirus? Please select all that apply. Temporarily postponed all non-essential client meetings310
63 Table CCS12_5NET: Has your employer or anyone in the workplace instituted the following as precautions to protect your workplace from the coronavirus? Please select all that apply. Allowed employees to work remotely
64 Table CCS12_6NET: Has your employer or anyone in the workplace instituted the following as precautions to protect your workplace from the coronavirus? Please select all that apply. Recommended employees do not shake hands
65 Table CCS12_7NET: Has your employer or anyone in the workplace instituted the following as precautions to protect your workplace from the coronavirus? Please select all that apply. Recommended sick employees stay home322
66 Table CCS12_8NET: Has your employer or anyone in the workplace instituted the following as precautions to protect your workplace from the coronavirus? Please select all that apply. Provided disinfecting products for employee use326
67 Table CCS12_9NET: Has your employer or anyone in the workplace instituted the following as precautions to protect your workplace from the coronavirus? Please select all that apply. Provided face masks for employees ..... 330
68 Table CCS12_10NET: Has your employer or anyone in the workplace instituted the following as precautions to protect your workplace from the coronavirus? Please select all that apply. Prohibited employees who have traveled abroad from coming into the office. ..... 334
69 Table CCS12_11NET: Has your employer or anyone in the workplace instituted the following as precautions to protect your workplace from the coronavirus? Please select all that apply. None of the above ..... 338
70 Table CCS13_1: To what extent are each of the following effective for preventing the spread of coronavirus? Face masks ..... 342
71 Table CCS13_2: To what extent are each of the following effective for preventing the spread of coronavirus? Hand sanitizer ..... 347
72 Table CCS13_3: To what extent are each of the following effective for preventing the spread of coronavirus? Disinfectants ..... 352
73 Table CCS13_4: To what extent are each of the following effective for preventing the spread of coronavirus? Hand soap ..... 357
74 Table CCS14: You indicated earlier in the survey that you have plans to travel for spring break. Has the coronavirus affected your spring break travel plans? ..... 362
75 Table CCS15_1: Earlier in the survey you indicated you have plans to travel in the next year. Has the coronavirus affected your travel plans to do the following over the next three months? Vacation on a cruise ..... 366
76 Table CCS15_2: Earlier in the survey you indicated you have plans to travel in the next year. Has the coronavirus affected your travel plans to do the following over the next three months? Travel by train ..... 373
77 Table CCS15_3: Earlier in the survey you indicated you have plans to travel in the next year. Has the coronavirus affected your travel plans to do the following over the next three months? Travel by bus ..... 380
78 Table CCS16_1: Would the coronavirus outbreak make you more or less likely to do the following? Travel in your own car ..... 387
79 Table CCS16_2: Would the coronavirus outbreak make you more or less likely to do the following? Carpool with others ..... 392
80 Table CCS16_3: Would the coronavirus outbreak make you more or less likely to do the following? Use a ride-hailing service like Uber or Lyft or take a taxi ..... 397
81 Table CCS16_4: Would the coronavirus outbreak make you more or less likely to do the following? Take a public bus ..... 402
82 Table CCS16_5: Would the coronavirus outbreak make you more or less likely to do the following? Take the subway or public train ..... 407
83 Table CCS16_6: Would the coronavirus outbreak make you more or less likely to do the following? Use public transit ..... 412
84 Table CCS16_7: Would the coronavirus outbreak make you more or less likely to do the following? Stay home in your free time ..... 417
85 Table CCSdem1_1: In the past year, how many times have you done the following? Traveled within the U.S. ..... 422
86 Table CCSdem1_2: In the past year, how many times have you done the following? Traveled outside of the U.S. ..... 427
87 Table CCSdem1_3: In the past year, how many times have you done the following? Stayed overnight at a hotel in the U.S. ..... 432
88 Table CCSdem1_4: In the past year, how many times have you done the following? Stayed overnight at a hotel outside of the U.S. ..... 437
89 Table CCSdem1_5: In the past year, how many times have you done the following? Traveled by airplane ..... 442
90 Table CCSdem2_1: And do you currently have plans to do any of the following in the next year? Travel within the U.S. ..... 447
91 Table CCSdem2_2: And do you currently have plans to do any of the following in the next year? Travel outside of the U.S. ..... 452
92 Table CCSdem2_3: And do you currently have plans to do any of the following in the next year? Stay overnight at a hotel in the U.S. ..... 457
93 Table CCSdem2_4: And do you currently have plans to do any of the following in the next year? Stay overnight at a hotel outside of the U.S. ..... 462
94 Table CCSdem2_5: And do you currently have plans to do any of the following in the next year? Travel by airplane ..... 467
95 Table CCSdem2_6: And do you currently have plans to do any of the following in the next year? Travel for spring break ..... 472
96 Summary Statistics of Survey Respondent Demographics ..... 477
