

National Tracking Poll #200338
March 10-12, 2020

Crosstabulation Results

Methodology:

This poll was conducted between March 10-March 12, 2020 among a national sample of 1252 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, educational attainment, gender, race, and region. Results from the full survey have a margin of error of plus or minus 3 percentage points.

Table Index

- 1 **Table COR1:** *How concerned are you about the outbreak of coronavirus?* 5
- 2 **Table COR2_1:** *How much information are you getting about the coronavirus from each of the following? Social media* 10
- 3 **Table COR2_2:** *How much information are you getting about the coronavirus from each of the following? Television* 15
- 4 **Table COR2_3:** *How much information are you getting about the coronavirus from each of the following? News websites* 20
- 5 **Table COR2_4:** *How much information are you getting about the coronavirus from each of the following? Radio* 25
- 6 **Table COR2_5:** *How much information are you getting about the coronavirus from each of the following? Print newspapers* 30
- 7 **Table COR3:** *How much have you seen, read, or heard about global oil prices dropping more than 30% on Monday March 9, 2020 as a result of Saudi Arabia and Russia being unable to come to an agreement on cutting oil production, leading to global stock market instability ?* . 35
- 8 **Table COR4_1:** *As you may know, President Donald Trump has discussed with Congressional leaders a possible economic relief package meant to support the American stock market following huge declines since the coronavirus outbreak and the recent drop in oil prices. Based on what you know, do you support or oppose each of the following? A general economic relief package to support the American stock market* 40
- 9 **Table COR4_2:** *As you may know, President Donald Trump has discussed with Congressional leaders a possible economic relief package meant to support the American stock market following huge declines since the coronavirus outbreak and the recent drop in oil prices. Based on what you know, do you support or oppose each of the following? An economic relief package that includes help for the U.S. oil and gas industry due to the 30% drop in oil prices* 45
- 10 **Table COR4_3:** *As you may know, President Donald Trump has discussed with Congressional leaders a possible economic relief package meant to support the American stock market following huge declines since the coronavirus outbreak and the recent drop in oil prices. Based on what you know, do you support or oppose each of the following? An economic relief package that includes help for the U.S. tourism industry due to reduced demand for travel during the coronavirus outbreak* 50
- 11 **Table COR4_4:** *As you may know, President Donald Trump has discussed with Congressional leaders a possible economic relief package meant to support the American stock market following huge declines since the coronavirus outbreak and the recent drop in oil prices. Based on what you know, do you support or oppose each of the following? Measures to help hourly wage earners, such as a payroll tax cut or loans to small businesses* 55

12	Table COR5: <i>As you may know, the oil and gas industry has made it clear it is not seeking government financial assistance, despite stock market declines. Based on what you know now, do you support or oppose an economic relief package that includes help for the U.S. oil and gas industry?</i>	60
13	Table COR6: <i>Generally, how well do you think social media companies are doing when it comes to preventing the spread of false information about coronavirus on their platforms?</i> . .	65
14	Table COR7_1: <i>To what extent are the following responsible for controlling the spread of false information about coronavirus on social media platforms? The user who originally posts the false information</i>	70
15	Table COR7_2: <i>To what extent are the following responsible for controlling the spread of false information about coronavirus on social media platforms? The users who share the original post</i>	75
16	Table COR7_3: <i>To what extent are the following responsible for controlling the spread of false information about coronavirus on social media platforms? The social media company</i>	80
17	Table COR7_4: <i>To what extent are the following responsible for controlling the spread of false information about coronavirus on social media platforms? American government institutions</i>	85
18	Table COR7_5: <i>To what extent are the following responsible for controlling the spread of false information about coronavirus on social media platforms? Global governing bodies</i>	90
19	Table COR8: <i>And specifically, who do you think is most responsible for controlling the spread of false information about coronavirus on social media platforms?</i>	95
20	Table COR9_1: <i>Do you believe the following types of content about coronavirus should be removed from social media platforms? False or misleading information users post about vaccines, cures</i>	100
21	Table COR9_2: <i>Do you believe the following types of content about coronavirus should be removed from social media platforms? Paid advertisements about health claims related to the virus</i>	105
22	Table COR9_3: <i>Do you believe the following types of content about coronavirus should be removed from social media platforms? Paid advertisements about medical face masks</i>	110
23	Table COR9_4: <i>Do you believe the following types of content about coronavirus should be removed from social media platforms? Fake accounts and pages created to spread misinformation</i>	115
24	Table CORdem1_1: <i>In the past year, how many times have you done the following? Traveled within the U.S.</i>	120
25	Table CORdem1_2: <i>In the past year, how many times have you done the following? Traveled outside of the U.S.</i>	125
26	Table CORdem1_3: <i>In the past year, how many times have you done the following? Stayed overnight at a hotel in the U.S.</i>	130
27	Table CORdem1_4: <i>In the past year, how many times have you done the following? Stayed overnight at a hotel outside of the U.S.</i>	135

28 **Table CORdem1_5:** *In the past year, how many times have you done the following? Traveled by airplane* 140

29 **Table CORdem2_1:** *And do you currently have plans to do any of the following in the next year? Travel within the U.S.* 145

30 **Table CORdem2_2:** *And do you currently have plans to do any of the following in the next year? Travel outside of the U.S.* 150

31 **Table CORdem2_3:** *And do you currently have plans to do any of the following in the next year? Stay overnight at a hotel in the U.S.* 155

32 **Table CORdem2_4:** *And do you currently have plans to do any of the following in the next year? Stay overnight at a hotel outside of the U.S.* 160

33 **Table CORdem2_5:** *And do you currently have plans to do any of the following in the next year? Travel by airplane* 165

34 **Table CORdem2_6:** *And do you currently have plans to do any of the following in the next year? Travel for spring break* 170

35 **Summary Statistics of Survey Respondent Demographics** 175

Crosstabulation Results by Respondent Demographics

Table COR1: How concerned are you about the outbreak of coronavirus?

Table COR4_4: As you may know, President Donald Trump has discussed with Congressional leaders a possible economic relief package meant to support the American stock market following huge declines since the coronavirus outbreak and the recent drop in oil prices. Based on what you know, do you support or oppose each of the following?

Measures to help hourly wage earners, such as a payroll tax cut or loans to small businesses

Demographic	Strongly support		Somewhat support		Somewhat oppose		Strongly oppose		Don't know / No opinion		Total N
