National Tracking Poll \#200346
March 13-16, 2020
Crosstabulation Results

Methodology:
This poll was conducted between March 13-March 16, 2020 among a national sample of 1986 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on age, educational attainment, gender, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

## Table Index

1 Table CCS1: As you may know, a new strain of a virus called coronavirus was identified by Chinese authorities in early January, and has spread around the world, infecting more than 136,000 individuals and killing over 5,000 people. The World Health Organization declared this outbreak of the coronavirus is a global health emergency, posing a risk to countries outside of China. President Trump declared a public health emergency in the United States shortly after.Based on what you know, how concerned are you about the outbreak of coronavirus? .

2 Table CCS2: And specifically, how concerned are you about coronavirus spreading in the United States?

3 Table CCS3_1: To what extent is the coronavirus a health risk in the following places? China 22
4 Table CCS3_2: To what extent is the coronavirus a health risk in the following places? Asia . 28
5 Table CCS3_3: To what extent is the coronavirus a health risk in the following places? Europe 34
6 Table CCS3_4: To what extent is the coronavirus a health risk in the following places? United States40

7 Table CCS3_5: To what extent is the coronavirus a health risk in the following places? Globally 46
8 Table CCS3_6: To what extent is the coronavirus a health risk in the following places? the Middle East

9 Table CCS3_7: To what extent is the coronavirus a health risk in the following places? South America58
10 Table CCS3_8: To what extent is the coronavirus a health risk in the following places? Central America ..... 64

11 Table CCS3_9: To what extent is the coronavirus a health risk in the following places? Your
state ..... 70

12 Table CCS4_1: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel within the U.S.76

13 Table CCS4_2: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel outside of the U.S.

14 Table CCS4_3: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Stay overnight at a hotel in the U.S.

15 Table CCS4_4: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Stay overnight at a hotel outside of the U.S.

16 Table CCS4_5: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel within Asia
17 Table CCS4_6: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel within Europe ..... 106
18 Table CCS4_7: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel for spring break ..... 112
19 Table CCS5: Has the coronavirus affected your travel plans over the next three months? . ..... 118
20 Table CCS6_1: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Health care ..... 125
21 Table CCS6_2: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? American goods ..... 130
22 Table CCS6_3: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Chinese made goods ..... 135
23 Table CCS6_4: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Internationally made goods ..... 14024 Table CCS6_5: And do you expect to spend more or less on the following because of thecoronavirus, or is there no change? Personal hygiene product, such as hand sanitizer andhand soap145
25 Table CCS6_6: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Home cleaning products, such as disinfectants ..... 150
26 Table CCS6_7: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Medical supplies, such as medical face masks ..... 155
27 Table CCS6_8: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Food products grown or produced in China ..... 160
28 Table CCS6_9: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Food products grown or produced in Asia ..... 16529 Table CCS6_10: And do you expect to spend more or less on the following because of thecoronavirus, or is there no change? Restaurant delivery services170
30 Table CCS6_11: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Meal kit delivery services, such as Hello Fresh and Blue Apron ..... 17531 Table CCS6_12: And do you expect to spend more or less on the following because of thecoronavirus, or is there no change? On-demand food delivery services, such as DoorDash orGrubhub180
32 Table CCS6_13: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Grocery delivery service ..... 185
33 Table CCS6_14: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Movie or TV streaming services ..... 190
34 Table CCS6_15: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Goods from online marketplaces, such as Amazon or Walmart ..... 195
35 Table CCS6_16: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Music streaming services ..... 200
36 Table CCS6_17: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Video games ..... 205
37 Table CCS6_18: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Canned goods ..... 210
38 Table CCS6_19: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Medicine you are currently prescribed ..... 215
39 Table CCS7: If a vaccine that protects from the coronavirus became available, would you get vaccinated, or not? ..... 220
40 Table CCS8_1: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? President Donald Trump ..... 225
41 Table CCS8_2: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Vice President Mike Pence ..... 230
42 Table CCS8_3: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? The Centers for Disease Control and Prevention (CDC) ..... 235
43 Table CCS8_4: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Congress ..... 240
44 Table CCS8_5: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Your state government ..... 245
45 Table CCS8_6: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Your local government ..... 250
46 Table CCS8_7: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? The United Nations (UN) ..... 255
47 Table CCS8_8: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? The World Health Organization (WHO) ..... 260
48 Table CCS8_9: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Airline companies ..... 265
49 Table CCS8_10: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? The Transportation Security Admin- istration (TSA) ..... 270
50 Table CCS8_11: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Cruise companies275

51 Table CCS9: Thinking about the confirmed cases of the coronavirus in the United States, who
do you think is most to blame for the spread of the coronavirus into the United States? ..... 280
52 Table CCS10: Which of these statements comes closer to your opinion, even if none isexactly right? ..... 284
53 Table CCS11_1: How concerned are you that the coronavirus will impact the following? U.S. economy ..... 290
54 Table CCS11_2: How concerned are you that the coronavirus will impact the following? Chi- nese economy ..... 295
55 Table CCS11_3: How concerned are you that the coronavirus will impact the following? Global economy ..... 300
56 Table CCS11_4: How concerned are you that the coronavirus will impact the following? My local economy ..... 305
57 Table CCS11_5: How concerned are you that the coronavirus will impact the following? The European economy ..... 310
58 Table CCS11_6: How concerned are you that the coronavirus will impact the following? Mid- dle Eastern economy ..... 315
59 Table CCS11_7: How concerned are you that the coronavirus will impact the following? The hospitality industry ..... 320
60 Table CCS11_8: How concerned are you that the coronavirus will impact the following? My workplace ..... 325
61 Table CCS11_9: How concerned are you that the coronavirus will impact the following? American job market ..... 330
62 Table CCS11_10: How concerned are you that the coronavirus will impact the following? American companies ..... 335
63 Table CCS12_1: To what extent are each of the following effective for preventing the spread of coronavirus? Face masks ..... 340
64 Table CCS12_2: To what extent are each of the following effective for preventing the spread of coronavirus? Hand sanitizer ..... 345
65 Table CCS12_3: To what extent are each of the following effective for preventing the spread of coronavirus? Disinfectants ..... 350
66 Table CCS12_4: To what extent are each of the following effective for preventing the spread of coronavirus? Hand soap ..... 355
67 Table CCS13_1: Earlier in the survey you indicated you have plans to travel in the next year. Has the coronavirus affected your travel plans to do the following over the next three months? Vacation on a cruise360
68 Table CCS13_2: Earlier in the survey you indicated you have plans to travel in the next year. Has the coronavirus affected your travel plans to do the following over the next three months? Travel by train367

69 Table CCS13_3: Earlier in the survey you indicated you have plans to travel in the next year.
Has the coronavirus affected your travel plans to do the following over the next three months?
Travel by bus ..... 374
70 Table CCS14_1: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to a movie theater ..... 381
71 Table CCS14_2: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to sporting events ..... 386
72 Table CCS14_3: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to a concert ..... 391
73 Table CCS14_4: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to a shopping mall ..... 396
74 Table CCS14_5: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to an amusement park ..... 401
75 Table CCS14_6: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Take a vacation ..... 406
76 Table CCS14_7: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to a party or social event ..... 411
77 Table CCS14_8: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to a religious gathering or meeting ..... 416
78 Table CCS14_9: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Use public transit ..... 421
79 Table CCS14_10: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to the grocery store ..... 426
80 Table CCS14_11: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Use a ride-hailing service like Uber or Lyft or take a taxi ..... 431
81 Table CCS14_12: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go out to eat at a restaurant or cafe ..... 436
82 Table CCS14_13: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to a work conference ..... 441
83 Table CCS14_14: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to a theater performance ..... 446
84 Table CCS14_15: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to a museum ..... 451
85 Table CCS14_16: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to a political rally ..... 456
86 Table CCS14_17: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Vote in a political election ..... 461
87 Table CCS14_18: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to the gym ..... 466
88 Table CCS14_19: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Invest in the stock market ..... 471
89 Table CCS14_20: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to the doctor ..... 476
90 Table CCS14_21: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Travel in your own car ..... 481
91 Table CCS14_22: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Carpool with others ..... 486
92 Table CCS14_23: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Take a public bus ..... 491
93 Table CCS14_24: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Take the subway or public train ..... 496
94 Table CCS14_25: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Stay home in your free time ..... 501
95 Table CCS14_26: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Travel by plane domestically ..... 506
96 Table CCS14_27: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Travel by plane internationally ..... 511
97 Table CCS15_1: If coronavirus were to spread to your community, would you be more or less likely to do the following? Go to a movie theater ..... 516
98 Table CCS15_2: If coronavirus were to spread to your community, would you be more or less likely to do the following? Go to sporting events ..... 521
99 Table CCS15_3: If coronavirus were to spread to your community, would you be more or less likely to do the following? Go to a concert ..... 526
100 Table CCS15_4: If coronavirus were to spread to your community, would you be more or less likely to do the following? Go to a shopping mall ..... 531
101 Table CCS15_5: If coronavirus were to spread to your community, would you be more or less likely to do the following? Go to an amusement park ..... 536
102 Table CCS15_6: If coronavirus were to spread to your community, would you be more or less likely to do the following? Take a vacation ..... 541
103 Table CCS15_7: If coronavirus were to spread to your community, would you be more or less likely to do the following? Go to a party or social event ..... 546
104 Table CCS15_8: If coronavirus were to spread to your community, would you be more or less likely to do the following? Go to a religious gathering or meeting ..... 551
105 Table CCS15_9: If coronavirus were to spread to your community, would you be more or less likely to do the following? Use public transit ..... 556
106 Table CCS15_10: If coronavirus were to spread to your community, would you be more or less likely to do the following? Go to the grocery store ..... 561
107 Table CCS15_11: If coronavirus were to spread to your community, would you be more or less likely to do the following? Use a ride-hailing service like Uber or Lyft or take a taxi ..... 566
108 Table CCS15_12: If coronavirus were to spread to your community, would you be more or less likely to do the following? Go out to eat at a restaurant or cafe ..... 571
109 Table CCS15_13: If coronavirus were to spread to your community, would you be more or less likely to do the following? Go to a work conference ..... 576
110 Table CCS15_14: If coronavirus were to spread to your community, would you be more or less likely to do the following? Go to a theater performance ..... 581
111 Table CCS15_15: If coronavirus were to spread to your community, would you be more or less likely to do the following? Go to a museum ..... 586
112 Table CCS15_16: If coronavirus were to spread to your community, would you be more or less likely to do the following? Go to a political rally ..... 591
113 Table CCS15_17: If coronavirus were to spread to your community, would you be more or less likely to do the following? Vote in a political election ..... 596
114 Table CCS15_18: If coronavirus were to spread to your community, would you be more or less likely to do the following? Go to the gym ..... 601
115 Table CCS15_19: If coronavirus were to spread to your community, would you be more or less likely to do the following? Invest in the stock market ..... 606
116 Table CCS15_20: If coronavirus were to spread to your community, would you be more or less likely to do the following? Go to the doctor ..... 611
117 Table CCS15_21: If coronavirus were to spread to your community, would you be more or less likely to do the following? Travel in your own car ..... 616
118 Table CCS15_22: If coronavirus were to spread to your community, would you be more or less likely to do the following? Carpool with others ..... 621
119 Table CCS15_23: If coronavirus were to spread to your community, would you be more or less likely to do the following? Take a public bus ..... 626
120 Table CCS15_24: If coronavirus were to spread to your community, would you be more or less likely to do the following? Take the subway or public train ..... 631
121 Table CCS15_25: If coronavirus were to spread to your community, would you be more or less likely to do the following? Stay home in your free time ..... 636
122 Table CCS15_26: If coronavirus were to spread to your community, would you be more or less likely to do the following? Travel by plane domestically ..... 641
123 Table CCS15_27: If coronavirus were to spread to your community, would you be more or less likely to do the following? Travel by plane internationally ..... 646
124 Table CCSdem1_1: In the past year, how many times have you done the following? Traveled within the U.S. ..... 651
125 Table CCSdem1_2: In the past year, how many times have you done the following? Traveled outside of the U.S. ..... 657
126 Table CCSdem1_3: In the past year, how many times have you done the following? Stayed overnight at a hotel in the U.S. ..... 663
127 Table CCSdem1_4: In the past year, how many times have you done the following? Stayed overnight at a hotel outside of the U.S. ..... 669
128 Table CCSdem1_5: In the past year, how many times have you done the following? Traveled by airplane ..... 675
129 Table CCSdem2_1: And do you currently have plans to do any of the following in the next year? Travel within the U.S. ..... 681
130 Table CCSdem2_2: And do you currently have plans to do any of the following in the next year? Travel outside of the U.S. ..... 686
131 Table CCSdem2_3: And do you currently have plans to do any of the following in the next year? Stay overnight at a hotel in the U.S. ..... 691
132 Table CCSdem2_4: And do you currently have plans to do any of the following in the next year? Stay overnight at a hotel outside of the U.S. ..... 696
133 Table CCSdem2_5: And do you currently have plans to do any of the following in the next year? Travel by airplane ..... 701
134 Table CCSdem2_6: And do you currently have plans to do any of the following in the next year? Travel for spring break ..... 706
135 Table CCSdem3_1: In general, what kind of fan do you consider yourself of the following? Film 711
136 Table CCSdem3_2: In general, what kind of fan do you consider yourself of the following? Television ..... 716
137 Table CCSdem3_3: In general, what kind of fan do you consider yourself of the following? Music . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . 721
138 Table CCSdem3_4: In general, what kind of fan do you consider yourself of the following? Sports726
139 Summary Statistics of Survey Respondent Demographics ..... 731

[^4]National Tracking Poll \#200346, March, 2020
Table CCS4_2

Table CCS4_2: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change?
Travel outside of the U.S.

| Demographic | More likely |  | No change |  | Less likely |  | Don't know / No opinion |  | Total N |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Registered Voters | 2\% | (49) | 30\% | (600) | 58\% | (1159) | 9\% | (178) | 1986 |
| Concerned about spread of coronavirus in US | 2\% | (40) | 26\% | (419) | 66\% | (1072) | 6\% | (103) | 1634 |
| Would get coronavirus vaccine | 2\% | (32) | 25\% | (343) | 67\% | (922) | 6\% | (83) | 1380 |
| Would not get coronavirus vaccine | 6\% | (13) | 46\% | (99) | 35\% | (75) | 12\% | (26) | 213 |
| Vaccinated for Flu | 2\% | (23) | 28\% | (295) | 62\% | (654) | 7\% | (78) | 1050 |
| Not vaccinated for Flu | $3 \%$ | (26) | $33 \%$ | (304) | 54\% | (506) | 11\% | (100) | 936 |

Note: Row proportions may total to larger than one-hundred percent due to rounding. For more information visit MorningConsultIntelligence.com.

## Summary Statistics of Survey Respondent Demographics

| Demographic | Group | Frequency | Percentage |
| :---: | :---: | :---: | :---: |
| CCSdem3_4 | Sports: An avid fan | 570 | 29\% |
|  | Sports: A casual fan | 758 | 38\% |
|  | Sports: Not a fan | 658 | $33 \%$ |
|  | $N$ | 1986 |  |
| CCSdem4 | Film Fan | 1731 | 87\% |
| CCSdem5 | Television Fan | 1861 | 94\% |
| CCSdem6 | Music Fan | 1864 | 94\% |
| CCSdem7 | Sports Fan | 1328 | 67\% |
| CCSdem8 | Traveled outside of U.S. in past year 1+ times | 340 | 17\% |
| CCSdem9 | Frequent Flyer | 214 | $11 \%$ |
| CCSdem10 | Concerned about coronavirus | 1594 | 80\% |
| CCSdem11 | Concerned about spread of coronavirus in US | 1634 | 82\% |
| CCSdem12 | Would get coronavirus vaccine | 1380 | 69\% |
|  | Would not get coronavirus vaccine | 213 | $11 \%$ |
|  | $N$ | 1593 |  |
| demFluShot | Vaccinated for Flu | 1050 | 53\% |
|  | Not vaccinated for Flu | 936 | 47\% |
|  | $N$ | 1986 |  |

Note: Group proportions may total to larger than one-hundred percent due to rounding. All statistics are calculated with demographic post-stratification weights applied.
