# ⓂORNING CONSULT 

National Tracking Poll \#200409
April 03-05, 2020
Crosstabulation Results

Methodology:
This poll was conducted between April 3-April 5, 2020 among a national sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, educational attainment, gender, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

## Table Index

1 Table CMS1: As you may know, a new strain of a virus called coronavirus was identified by Chinese authorities in early January, and has spread around the world, infecting more than 1 million individuals and killing over 56,000 people. The World Health Organization declared this outbreak of the coronavirus is a pandemic, posing a risk to countries outside of China. President Trump declared a public health emergency in the United States shortly after.Based on what you know, how concerned are you about the outbreak of coronavirus?

2 Table CMS2: And specifically, how concerned are you about coronavirus spreading in the United States?

3 Table CMS3_1: To what extent is the coronavirus a health risk in the following places? China 22
4 Table CMS3_2: To what extent is the coronavirus a health risk in the following places? Asia 28
5 Table CMS3_3: To what extent is the coronavirus a health risk in the following places? Europe 34
6 Table CMS3_4: To what extent is the coronavirus a health risk in the following places? United States40

7 Table CMS3_5: To what extent is the coronavirus a health risk in the following places? Globally 46
8 Table CMS3_6: To what extent is the coronavirus a health risk in the following places? the Middle East

9 Table CMS3_7: To what extent is the coronavirus a health risk in the following places? South America
10 Table CMS3_8: To what extent is the coronavirus a health risk in the following places? Central America ..... 64

11 Table CMS3_9: To what extent is the coronavirus a health risk in the following places? Your
state ..... 70

12 Table CMS3_10: To what extent is the coronavirus a health risk in the following places? Your
community ..... 76

13 Table CMS4_1: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel within the U.S.

14 Table CMS4_2: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel outside of the U.S. .

15 Table CMS4_3: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Stay overnight at a hotel in the U.S.

16 Table CMS4_4: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Stay overnight at a hotel outside of the U.S.
17 Table CMS4_5: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel within Asia ..... 106
18 Table CMS4_6: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel within Europe ..... 112
19 Table CMS5: Has the coronavirus affected your travel plans over the next three months? ..... 118
20 Table CMS6_1: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Health care ..... 125
21 Table CMS6_2: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? American goods ..... 131
22 Table CMS6_3: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Chinese made goods ..... 137
23 Table CMS6_4: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Internationally made goods ..... 14324 Table CMS6_5: And do you expect to spend more or less on the following because of thecoronavirus, or is there no change? Personal hygiene product, such as hand sanitizer andhand soap149
25 Table CMS6_6: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Home cleaning products, such as disinfectants ..... 155
26 Table CMS6_7: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Medical supplies, such as medical face masks ..... 161
27 Table CMS6_8: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Food products grown or produced in China ..... 167
28 Table CMS6_9: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Food products grown or produced in Asia ..... 173
29 Table CMS6_10: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Restaurant delivery services ..... 17930 Table CMS6_11: And do you expect to spend more or less on the following because of thecoronavirus, or is there no change? Meal kit delivery services, such as Hello Fresh and BlueApron185
31 Table CMS6_12: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? On-demand food delivery services, such as DoorDash or Grubhub191
32 Table CMS6_13: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Grocery delivery service ..... 197
33 Table CMS6_14: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Movie or TV streaming services ..... 203
34 Table CMS6_15: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Goods from online marketplaces, such as Amazon or Walmart209
35 Table CMS6_16: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Music streaming services ..... 215
36 Table CMS6_17: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Video games ..... 221
37 Table CMS6_18: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Canned goods ..... 227
38 Table CMS6_19: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Medicine you are currently prescribed ..... 233
39 Table CMS6_20: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Beauty products, such as face masks and makeup ..... 239
40 Table CMS6_21: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Alcoholic beverages ..... 245
41 Table CMS7: If a vaccine that protects from the coronavirus became available, would you get vaccinated, or not? ..... 251
42 Table CMS8_1: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? President Donald Trump ..... 256
43 Table CMS8_2: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Vice President Mike Pence ..... 262
44 Table CMS8_3: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? The Centers for Disease Control and Prevention (CDC). ..... 268
45 Table CMS8_4: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Congress ..... 274
46 Table CMS8_5: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Your state government ..... 280
47 Table CMS8_6: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Your local government ..... 286
48 Table CMS8_7: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? The United Nations (UN) . ..... 292
49 Table CMS8_8: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? The World Health Organization (WHO) ..... 298
50 Table CMS8_9: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Airline companies
51 Table CMS8_10: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? The Transportation Security Administration (TSA)
52 Table CMS8_11: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Cruise companies

53 Table CMS8_12: Do you approve or disapprove of the job each of the following is doing in
handling the spread of coronavirus in the United States? Corporations ..... 322

54 Table CMS8_13: Do you approve or disapprove of the job each of the following is doing in
handling the spread of coronavirus in the United States? Restaurants and bars ..... 328

55 Table CMS8_14: Do you approve or disapprove of the job each of the following is doing in
handling the spread of coronavirus in the United States? Retail stores ..... 334

56 Table CMS8_15: Do you approve or disapprove of the job each of the following is doing in
handling the spread of coronavirus in the United States? Grocery stores ..... 340

57 Table CMS9: Thinking about the confirmed cases of the coronavirus in the United States, who
do you think is most to blame for the spread of the coronavirus into the United States? ..... 346
58 Table CMS10: Which of these statements comes closer to your opinion, even if none is exactly right? ..... 350
59 Table CMS11_1: How concerned are you that the coronavirus will impact the following? U.S. economy ..... 356
60 Table CMS11_2: How concerned are you that the coronavirus will impact the following? Chinese economy ..... 362
61 Table CMS11_3: How concerned are you that the coronavirus will impact the following? Global economy ..... 368
62 Table CMS11_4: How concerned are you that the coronavirus will impact the following? My local economy ..... 374
63 Table CMS11_5: How concerned are you that the coronavirus will impact the following? The European economy ..... 380
64 Table CMS11_6: How concerned are you that the coronavirus will impact the following? Middle Eastern economy ..... 386
65 Table CMS11_7: How concerned are you that the coronavirus will impact the following? The hospitality industry ..... 392
66 Table CMS11_8: How concerned are you that the coronavirus will impact the following? My job ..... 398
67 Table CMS11_9: How concerned are you that the coronavirus will impact the following? American job market ..... 404
68 Table CMS11_10: How concerned are you that the coronavirus will impact the following? American companies ..... 410
69 Table CMS12_1: To what extent are each of the following effective for preventing the spread of coronavirus? Face masks ..... 416
70 Table CMS12_2: To what extent are each of the following effective for preventing the spread of coronavirus? Hand sanitizer ..... 422
71 Table CMS12_3: To what extent are each of the following effective for preventing the spread of coronavirus? Disinfectants ..... 428
72 Table CMS12_4: To what extent are each of the following effective for preventing the spread of coronavirus? Hand soap ..... 434
73 Table CMS12_5: To what extent are each of the following effective for preventing the spread of coronavirus? Natural or organic cleaning products ..... 440
74 Table CMS12_6: To what extent are each of the following effective for preventing the spread of coronavirus? Social distancing ..... 446
75 Table CMS13_1: Earlier in the survey you indicated you have plans to travel in the next year.Has the coronavirus affected your travel plans to do the following over the next three months?Vacation on a cruise452
76 Table CMS13_2: Earlier in the survey you indicated you have plans to travel in the next year.Has the coronavirus affected your travel plans to do the following over the next three months?Travel by train459
77 Table CMS13_3: Earlier in the survey you indicated you have plans to travel in the next year. Has the coronavirus affected your travel plans to do the following over the next three months? Travel by bus ..... 466
78 Table CMS14_1: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to a movie theater ..... 473
79 Table CMS14_2: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to sporting events ..... 479
80 Table CMS14_3: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to a concert ..... 485
81 Table CMS14_4: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to a shopping mall ..... 491
82 Table CMS14_5: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to an amusement park ..... 497
83 Table CMS14_6: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Take a vacation ..... 503
84 Table CMS14_7: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to a party or social event ..... 509
85 Table CMS14_8: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to a religious gathering or meeting ..... 515
86 Table CMS14_9: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Use public transit ..... 521
87 Table CMS14_10: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to the grocery store ..... 527
88 Table CMS14_11: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Use a ride-hailing service like Uber or Lyft or take a taxi ..... 533
89 Table CMS14_12: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go out to eat at a restaurant or cafe ..... 539
90 Table CMS14_13: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to a work conference ..... 545
91 Table CMS14_14: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to a theater performance ..... 551
92 Table CMS14_15: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to a museum ..... 557
93 Table CMS14_16: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to a political rally ..... 563
94 Table CMS14_17: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Vote in a political election ..... 569
95 Table CMS14_18: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to the gym ..... 575
96 Table CMS14_19: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Invest in the stock market ..... 581
97 Table CMS14_20: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Go to the doctor ..... 587
98 Table CMS14_21: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Travel in your own car ..... 593
99 Table CMS14_22: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Carpool with others ..... 599
100 Table CMS14_23: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Take a public bus ..... 605
101 Table CMS14_24: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Take the subway or public train611
102 Table CMS14_25: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Stay home in your free time ..... 617
103 Table CMS14_26: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Travel by plane domestically ..... 623
104 Table CMS14_27: Based on what you know about the coronavirus, are you currently more or less likely to do the following? Travel by plane internationally ..... 629
105 Table CMS15_1: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Federal Emergency Management Agency (FEMA)
106 Table CMS15_2: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Your state or local emergency response agency641
107 Table CMS18_1: And due to social distancing and self-quarantining practices, are you doing any of the following more or less? Eating in general647

108 Table CMS18_2: And due to social distancing and self-quarantining practices, are you doing
any of the following more or less? Eating healthy foods ..... 653
109 Table CMS18_3: And due to social distancing and self-quarantining practices, are you doing any of the following more or less? Eating unhealthy food or junk food659
110 Table CMS18_4: And due to social distancing and self-quarantining practices, are you doing any of the following more or less? Drinking alcoholic beverages665
111 Table CMS19: Based on what you know about the coronavirus, when do you expect to be able to watch live professional and college sports again?
112 Table CMS20: And based on what you know about the coronavirus, when do you expect to feel comfortable attending a live sporting event in person again? .677
113 Table CMS21: Which of the following comes closest to your view even if neither is exactly right? 683
114 Table CMS22_1: What kind of a fan do you consider yourself of each of the following? NFL690
115 Table CMS22_2: What kind of a fan do you consider yourself of each of the following? NBA 695
116 Table CMS22_3: What kind of a fan do you consider yourself of each of the following? NHL 700
117 Table CMS22_4: What kind of a fan do you consider yourself of each of the following? MLS 705
118 Table CMS22_5: What kind of a fan do you consider yourself of each of the following? MLB 710
119 Table CMS22_6: What kind of a fan do you consider yourself of each of the following? NASCAR715
120 Table CMS22_7: What kind of a fan do you consider yourself of each of the following? IndyCar 720
121 Table CMS22_8: What kind of a fan do you consider yourself of each of the following? F1 ..... 725
122 Table CMS22_9: What kind of a fan do you consider yourself of each of the following? NCAA football ..... 730
123 Table CMS22_10: What kind of a fan do you consider yourself of each of the following? NCAA men's basketball ..... 735
124 Table CMS22_11: What kind of a fan do you consider yourself of each of the following? NCAA women's basketball ..... 740
125 Table CMS22_12: What kind of a fan do you consider yourself of each of the following? Esports 7 ..... 745
126 Table CMS22_13: What kind of a fan do you consider yourself of each of the following? PGA Tour ..... 750
127 Table CMS22_14: What kind of a fan do you consider yourself of each of the following? ATP ..... 755
128 Table CMS22_15: What kind of a fan do you consider yourself of each of the following? WNBA 760
129 Table CMSdem1_1: In the past year, how many times have you done the following? Traveled within the U.S. ..... 765
130 Table CMSdem1_2: In the past year, how many times have you done the following? Traveled outside of the U.S. ..... 771
131 Table CMSdem1_3: In the past year, how many times have you done the following? Stayed overnight at a hotel in the U.S. ..... 777
132 Table CMSdem1_4: In the past year, how many times have you done the following? Stayed overnight at a hotel outside of the U.S. ..... 783
133 Table CMSdem1_5: In the past year, how many times have you done the following? Traveled by airplane ..... 789
134 Table CMSdem2_1: And do you currently have plans to do any of the following in the next year? Travel within the U.S. ..... 795
135 Table CMSdem2_2: And do you currently have plans to do any of the following in the next year? Travel outside of the U.S. ..... 800
136 Table CMSdem2_3: And do you currently have plans to do any of the following in the next year? Stay overnight at a hotel in the U.S. ..... 805
137 Table CMSdem2_4: And do you currently have plans to do any of the following in the next year? Stay overnight at a hotel outside of the U.S. ..... 810
138 Table CMSdem2_5: And do you currently have plans to do any of the following in the next year? Travel by airplane ..... 816
139 Table CMSdem3_1: In general, what kind of fan do you consider yourself of the following? Film ..... 821
140 Table CMSdem3_2: In general, what kind of fan do you consider yourself of the following? Television ..... 826
141 Table CMSdem3_3: In general, what kind of fan do you consider yourself of the following? Music ..... 831
142 Table CMSdem3_4: In general, what kind of fan do you consider yourself of the following? Sports ..... 836
143 Table CMSdem4: Which of the following best describes your current behavior? ..... 841
144 Summary Statistics of Survey Respondent Demographics ..... 848

## Crosstabulation Results by Respondent Demographics

Table CMS1: As you may know, a new strain of a virus called coronavirus was identified by Chinese authorities in early January, and has spread around the world, infecting more than 1 million individuals and killing over 56,000 people. The World Health Organization declared this outbreak of the coronavirus is a pandemic, posing a risk to countries outside of China. President Trump declared a public health emergency in the United States shortly after. Based on what you know, how concerned are you about the outbreak of coronavirus?

Table CMS1: As you may know, a new strain of a virus called coronavirus was identified by Chinese authorities in early January, and has spread around the world, infecting more than 1 million individuals and killing over 56,000 people. The World Health Organization declared this outbreak of the coronavirus is a pandemic, posing a risk to countries outside of China. President Trump declared a public health emergency in the United States shortly after.Based on what you know, how concerned are you about the outbreak of coronavirus?
