

National Tracking Poll #200419
April 09-10, 2020

Crosstabulation Results

Methodology:

This poll was conducted between April 9-April 10, 2020 among a national sample of 1997 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on age, educational attainment, gender, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.
