

National Tracking Poll #200461
April 16-20, 2020

Crosstabulation Results

Methodology:

This poll was conducted between April 16-April 20, 2020 among a national sample of 4400 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, educational attainment, gender, race, and region. Results from the full survey have a margin of error of plus or minus 1 percentage points.

Table Index

- 1 **Table CSB1_1:** *As you may know, there are many ways to bet money, such as through a website, in person, as part of a fantasy league and with your friends or family. Before the COVID-19 pandemic (coronavirus) began, about how often did you bet money on each of the following activities? Professional or college sporting events* 7
- 2 **Table CSB1_2:** *As you may know, there are many ways to bet money, such as through a website, in person, as part of a fantasy league and with your friends or family. Before the COVID-19 pandemic (coronavirus) began, about how often did you bet money on each of the following activities? Daily fantasy sports* 11
- 3 **Table CSB1_3:** *As you may know, there are many ways to bet money, such as through a website, in person, as part of a fantasy league and with your friends or family. Before the COVID-19 pandemic (coronavirus) began, about how often did you bet money on each of the following activities? Season-long fantasy sports* 15
- 4 **Table CSB1_4:** *As you may know, there are many ways to bet money, such as through a website, in person, as part of a fantasy league and with your friends or family. Before the COVID-19 pandemic (coronavirus) began, about how often did you bet money on each of the following activities? Esports competitions* 19
- 5 **Table CSB1_5:** *As you may know, there are many ways to bet money, such as through a website, in person, as part of a fantasy league and with your friends or family. Before the COVID-19 pandemic (coronavirus) began, about how often did you bet money on each of the following activities? Computer video game simulations of real sporting events (CPU vs. CPU)* 23
- 6 **Table CSB1_6:** *As you may know, there are many ways to bet money, such as through a website, in person, as part of a fantasy league and with your friends or family. Before the COVID-19 pandemic (coronavirus) began, about how often did you bet money on each of the following activities? Horse racing* 27
- 7 **Table CSB1_7:** *As you may know, there are many ways to bet money, such as through a website, in person, as part of a fantasy league and with your friends or family. Before the COVID-19 pandemic (coronavirus) began, about how often did you bet money on each of the following activities? Casino games, including card games and table games, either in person or online* 31
- 8 **Table CSB1_8:** *As you may know, there are many ways to bet money, such as through a website, in person, as part of a fantasy league and with your friends or family. Before the COVID-19 pandemic (coronavirus) began, about how often did you bet money on each of the following activities? Non-sports events, such as election outcomes or reality TV* 35
- 9 **Table CSB2:** *And overall, would you say you're betting more or less since the COVID-19 pandemic (coronavirus) spread to the U.S. and social distancing measures began in March 2020?* 39
- 10 **Table CSB3_1:** *And specifically, are you betting money on each of the following activities more or less often amid the COVID-19 pandemic (coronavirus)? Professional or college sporting events* 43
- 11 **Table CSB3_2:** *And specifically, are you betting money on each of the following activities more or less often amid the COVID-19 pandemic (coronavirus)? Daily fantasy sports* 47
