# MMORNING CONSULT 

National Tracking Poll \#200473
April 22-24, 2020
Crosstabulation Results

Methodology:
This poll was conducted between April 22-April 24, 2020 among a national sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, educational attainment, gender, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

## Table Index

1 Table CMS1_1: Based on what you know about the coronavirus, when do you expect to do the following? Going out to eat at a restaurant or cafe ..... 8
2 Table CMS1_2: Based on what you know about the coronavirus, when do you expect to do the following? Going to the movies ..... 12
3 Table CMS1_3: Based on what you know about the coronavirus, when do you expect to do the following? Going to a concert ..... 16
4 Table CMS1_4: Based on what you know about the coronavirus, when do you expect to do the following? Going to a shopping mall ..... 20
5 Table CMS1_5: Based on what you know about the coronavirus, when do you expect to do the following? Going to an amusement park ..... 24
6 Table CMS1_6: Based on what you know about the coronavirus, when do you expect to do the following? Going to a party or social event ..... 28
7 Table CMS1_7: Based on what you know about the coronavirus, when do you expect to do the following? Going to a religious gathering or meeting ..... 32
8 Table CMS1_8: Based on what you know about the coronavirus, when do you expect to do the following? Going to a work conference ..... 36
9 Table CMS1_9: Based on what you know about the coronavirus, when do you expect to do the following? Going to a theater performance ..... 40
10 Table CMS1_10: Based on what you know about the coronavirus, when do you expect to do the following? Going to a museum ..... 44
11 Table CMS1_11: Based on what you know about the coronavirus, when do you expect to do the following? Going to a political rally ..... 48
12 Table CMS1_12: Based on what you know about the coronavirus, when do you expect to do the following? Going to the gym or an exercise class ..... 52
13 Table CMS1_13: Based on what you know about the coronavirus, when do you expect to do the following? Going on vacation ..... 56
14 Table CMS1_14: Based on what you know about the coronavirus, when do you expect to do the following? Traveling abroad ..... 60
15 Table CMS2_1: Based on what you know about the coronavirus, when would you feel com- fortable doing the following? Going out to eat at a restaurant or cafe ..... 64
16 Table CMS2_2: Based on what you know about the coronavirus, when would you feel com- fortable doing the following? Going to the movies ..... 68
17 Table CMS2_3: Based on what you know about the coronavirus, when would you feel com- fortable doing the following? Going to a concert ..... 72
18 Table CMS2_4: Based on what you know about the coronavirus, when would you feel com- fortable doing the following? Going to a shopping mall ..... 76
19 Table CMS2_5: Based on what you know about the coronavirus, when would you feel com- fortable doing the following? Going to an amusement park ..... 80
20 Table CMS2_6: Based on what you know about the coronavirus, when would you feel com- fortable doing the following? Going to a party or social event ..... 84
21 Table CMS2_7: Based on what you know about the coronavirus, when would you feel com- fortable doing the following? Going to a religious gathering or meeting ..... 88
22 Table CMS2_8: Based on what you know about the coronavirus, when would you feel com- fortable doing the following? Going to a work conference ..... 92
23 Table CMS2_9: Based on what you know about the coronavirus, when would you feel com- fortable doing the following? Going to a theater performance ..... 96
24 Table CMS2_10: Based on what you know about the coronavirus, when would you feel com- fortable doing the following? Going to a museum ..... 100
25 Table CMS2_11: Based on what you know about the coronavirus, when would you feel com- fortable doing the following? Going to a political rally ..... 104
26 Table CMS2_12: Based on what you know about the coronavirus, when would you feel com- fortable doing the following? Going to the gym or an exercise class ..... 108
27 Table CMS2_13: Based on what you know about the coronavirus, when would you feel com- fortable doing the following? Going on vacation ..... 112
28 Table CMS2_14: Based on what you know about the coronavirus, when would you feel com- fortable doing the following? Traveling abroad ..... 116
29 Table CMS3: As you may know, some conservative-leaning groups have begun protesting social distancing policies in certain states and advocating for governors to reopen economic activity. Based on what you know, do you approve or disapprove of these protests?120
30 Table CMS4: And as you may know, President Trump defended the protestors during a recent news conference. Do you think it was appropriate or inappropriate for President Trump to defend the protestors?124
31 Table CMS5: Which statement is closest to your opinion, even if none is exactly right? ..... 128
32 Table CMS6: If your governor and President Trump disagreed about when to end social distancing policies, who would you be more likely to trust to make the right decision?132
33 Table CMS7: Since the start of COVID-19 (coronavirus), are you reading, watching, or listening to the news more or less often than you did before the COVID-19 pandemic, or about the same?
34 Table CMS8_1: When it comes to President Trump's news conferences on the COVID-19 pandemic (coronavirus), how often do you do each of the following? Watch them live on TV

35 Table CMS8_2: When it comes to President Trump's news conferences on the COVID-19 pandemic (coronavirus), how often do you do each of the following? Watch clips of them online 144

36 Table CMS8_3: When it comes to President Trump's news conferences on the COVID-19 pandemic (coronavirus), how often do you do each of the following? Watch news coverage of them on TV

37 Table CMS8_4: When it comes to President Trump's news conferences on the COVID-19 pandemic (coronavirus), how often do you do each of the following? Read news coverage about them

38 Table CMS8_5: When it comes to President Trump's news conferences on the COVID-19 pandemic (coronavirus), how often do you do each of the following? Read social media posts about them

39 Table CMS8_6: When it comes to President Trump's news conferences on the COVID-19 pandemic (coronavirus), how often do you do each of the following? Ignore them entirely

40 Table CMS9_1: Based on what you know, how well do you think each of the following words describe President Trump's press conferences on the COVID-19 pandemic (coronavirus)? Comforting

41 Table CMS9_2: Based on what you know, how well do you think each of the following words describe President Trump's press conferences on the COVID-19 pandemic (coronavirus)? Informative

42 Table CMS9_3: Based on what you know, how well do you think each of the following words describe President Trump's press conferences on the COVID-19 pandemic (coronavirus)? Productive

43 Table CMS9_4: Based on what you know, how well do you think each of the following words describe President Trump's press conferences on the COVID-19 pandemic (coronavirus)? Helpful 176

44 Table CMS9_5: Based on what you know, how well do you think each of the following words describe President Trump's press conferences on the COVID-19 pandemic (coronavirus)? Presidential

45 Table CMS9_6: Based on what you know, how well do you think each of the following words describe President Trump's press conferences on the COVID-19 pandemic (coronavirus)? Realistic

46 Table CMS9_7: Based on what you know, how well do you think each of the following words describe President Trump's press conferences on the COVID-19 pandemic (coronavirus)? Misleading

47 Table CMS9_8: Based on what you know, how well do you think each of the following words describe President Trump's press conferences on the COVID-19 pandemic (coronavirus)? Dishonest

48 Table CMS9_9: Based on what you know, how well do you think each of the following words describe President Trump's press conferences on the COVID-19 pandemic (coronavirus)? Childish

49 Table CMS9_10: Based on what you know, how well do you think each of the following words describe President Trump's press conferences on the COVID-19 pandemic (coronavirus)? Frustrating200

50 Table CMS9_11: Based on what you know, how well do you think each of the following words describe President Trump's press conferences on the COVID-19 pandemic (coronavirus)? Counterproductive204

51 Table CMS10: Which statement is closest to your opinion, even if neither is exactly right? . . 208
52 Table CMS1 1: How comfortable would you feel if technology companies shared your location data, including where you have traveled, with the government so that the government could better track Americans' locations?

53 Table CMS12: And how comfortable would you feel if technology companies shared your location data, including where you have traveled, with the government so that the government could better track the spread of the coronavirus?

54 Table CMS13_1: How much would you trust each of the following to build an effective tool to track people's locations to combat the spread of the COVID-19 pandemic (coronavirus)? Large technology companies

55 Table CMS13_2: How much would you trust each of the following to build an effective tool to track people's locations to combat the spread of the COVID-19 pandemic (coronavirus)? Researchers at universities

56 Table CMS13_3: How much would you trust each of the following to build an effective tool to track people's locations to combat the spread of the COVID-19 pandemic (coronavirus)? Federal agencies, such as Centers for Disease Control and Prevention and the United States Department of Health and Human Services

57 Table CMS14_1: And how much would you trust each of the following to keep the data collected about you to better track the spread of the COVID-19 pandemic (coronavirus), including health information and location data, protected and secure? Large technology companies

58 Table CMS14_2: And how much would you trust each of the following to keep the data collected about you to better track the spread of the COVID-19 pandemic (coronavirus), including health information and location data, protected and secure? Researchers at universities

59 Table CMS14_3: And how much would you trust each of the following to keep the data collected about you to better track the spread of the COVID-19 pandemic (coronavirus), including health information and location data, protected and secure? Federal agencies, such as Centers for Disease Control and Prevention and the United States Department of Health and Human Services

60 Table CMS15: Now on a different topic...Have you ever used an online dating app or service, such as Match.com or Tinder?
61 Table CMS16_1: Have you used the following dating apps or websites? Please select all that apply. Match.com ..... 248
62 Table CMS16_2: Have you used the following dating apps or websites? Please select all that apply. EHarmony ..... 251
63 Table CMS16_3: Have you used the following dating apps or websites? Please select all that apply. Bumble ..... 254
64 Table CMS16_4: Have you used the following dating apps or websites? Please select all that apply. OkCupid ..... 257
65 Table CMS16_5: Have you used the following dating apps or websites? Please select all that apply. Tinder ..... 260
66 Table CMS16_6: Have you used the following dating apps or websites? Please select all that apply. Coffee Meets Bagel ..... 263
67 Table CMS16_7: Have you used the following dating apps or websites? Please select all that apply. Hinge ..... 266
68 Table CMS16_8: Have you used the following dating apps or websites? Please select all that apply. Down ..... 269
69 Table CMS16_9: Have you used the following dating apps or websites? Please select all that apply. Happn ..... 272
70 Table CMS16_10: Have you used the following dating apps or websites? Please select all that apply. PlentyOfFish ..... 275
71 Table CMS16_11: Have you used the following dating apps or websites? Please select all that apply. Grindr ..... 278
72 Table CMS17: And are you using online dating apps or services now more or less amid the COVID-19 pandemic (coronavirus)? ..... 281
73 Table CMS18: Amid the COVID-19 pandemic (coronavirus), how often are you using online dating apps or services? ..... 282
74 Table CMS19: Which of the following comes closest to your view even if neither is exactly right? 2 ..... 28375 Table CMS20_1: Do you agree or disagree with the following statements? When live sportsare back on television, I plan to watch the same leagues or teams that I was watching beforethe COVID-19 pandemic (coronavirus)28876 Table CMS20_2: Do you agree or disagree with the following statements? I miss live sportsso much that I'd watch a league or team that I haven't previously followed if they were shownon live television292
77 Table CMS20_3: Do you agree or disagree with the following statements? I am not really a sports fan but when live sports start broadcasting again, I plan on watching some sporting events 296
78 Table CMSdem1_1: In the past year, how many times have you done the following? Traveled within the U.S. ..... 300
79 Table CMSdem1_2: In the past year, how many times have you done the following? Traveled outside of the U.S. ..... 304
80 Table CMSdem1_3: In the past year, how many times have you done the following? Stayed overnight at a hotel in the U.S. ..... 308
81 Table CMSdem1_4: In the past year, how many times have you done the following? Stayed overnight at a hotel outside of the U.S. ..... 312
82 Table CMSdem1_5: In the past year, how many times have you done the following? Traveled by airplane ..... 316
83 Table CMSdem2_1: And do you currently have plans to do any of the following in the next year? Travel within the U.S. ..... 320
84 Table CMSdem2_2: And do you currently have plans to do any of the following in the next year? Travel outside of the U.S. ..... 324
85 Table CMSdem2_3: And do you currently have plans to do any of the following in the next year? Stay overnight at a hotel in the U.S. ..... 328
86 Table CMSdem2_4: And do you currently have plans to do any of the following in the next year? Stay overnight at a hotel outside of the U.S. ..... 332
87 Table CMSdem2_5: And do you currently have plans to do any of the following in the next year? Travel by airplane ..... 336
88 Table CMSdem3_1: In general, what kind of fan do you consider yourself of the following? Film ..... 340
89 Table CMSdem3_2: In general, what kind of fan do you consider yourself of the following? Television ..... 344
90 Table CMSdem3_3: In general, what kind of fan do you consider yourself of the following? Music ..... 348
91 Table CMSdem3_4: In general, what kind of fan do you consider yourself of the following? Sports ..... 352
92 Table CMSdem4: Which of the following best describes your current behavior? ..... 356
93 Table CMSdem5: How concerned are you about the COVID-19 pandemic (coronavirus)? ..... 361
94 Summary Statistics of Survey Respondent Demographics ..... 365

## Crosstabulation Results by Respondent Demographics

Table CMS1_1: Based on what you know about the coronavirus, when do you expect to do the following?
Going out to eat at a restaurant or cafe

| Demographic | In the next two weeks | In the next month | In the next two months | In the next three months | In the next six months | More than six months from now | Don't know / <br> No opinion | Total N |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
