

National Tracking Poll #2004100
April 29-30, 2020

Crosstabulation Results

Methodology:

This poll was conducted between April 29-April 30, 2020 among a national sample of 1993 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on age, educational attainment, gender, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table CMS3: *In light of the drop in oil prices, President Donald Trump wrote on Twitter that he is considering "making funds available" to the oil and gas industry. Treasury Secretary Steven Mnuchin has also suggested lending funds to the industry, but some lawmakers have publicly opposed giving federal funds to the oil and gas industry. Based on what you know, do you support or oppose a federal economic relief package that includes help for the U.S. oil and gas industry?*
